Global Summit on Applied Science, Engineering and Technology

March 17-19, 2022 | Dubai, UAE

GSASET2022

About GSASET2022

Dear Colleagues,

It is our pleasure to invite all scientists, academicians, young researchers, business delegates and students from all over the world to attend the Global Summit on Applied Science, Engineering and Technology will be held in Dubai, UAE during March 17-19, 2022.

GSASET2022 shares an insight into the recent research and cutting edge technologies, which gains immense interest with the colossal and exuberant presence of young and brilliant researchers, business delegates and talented student communities.

GSASET2022 goal is to bring together, a multi-disciplinary group of scientists and engineers from all over the world to present and exchange break-through ideas relating to the Applied Science, Engineering and Technology.

Topics of the conference covers a comprehensive spectrum of issues from:

1. **Fundamental Sciences:** Pure and Applied Mathematics, Physics, Chemistry, Numerical approximation and analysis, Computational Methods in Engineering, and others...
2. **Computers Engineering:** Modeling and Simulation, Machine Learning, Artificial Intelligence, Software Engineering, Data Bases, and others...
3. **Electrical and Electronics Engineering:** Circuits and Systems, Optoelectronics, Photonic technologies, Quantum technologies, Signal Processing, Electric Motors, Control Engineering, and others...
4. **Mechanical Engineering:** Nanotechnology and Nano Science, Mechanics, Mechatronics, Robotic Systems Engineering, Production Engineering, Constructions, Automotive and Traffic Engineering, Safety Engineering, Reliability, and others...
5. **Materials Engineering:** Materials Science, Metallic Materials, Composite Materials, Metal Alloys, Metallurgy, Heat Transfer, and others...
6. **Biological Engineering:** Biotechnology, Tissue Engineering, Molecular Bioengineering, Nucleic Acid Engineering, Controlled-Environment Agriculture, Soil and Water Engineering, and others...

The conference will be focused on several fields of application, operation and influence of the applied sciences and technologies on industry.

We're looking forward to an excellent meeting with scientists from different countries around the world and sharing new and exciting results in Applied Science, Engineering and Technology
