Dear Can Bayram,

Based on the recommendation of the ICDD Membership Committee and the approval of the Board of Directors, it is my pleasure to inform you that you have been elected as a Student Affiliate with the International Centre for Diffraction Data, for a maximum term of six years. Upon graduation, you may wish to apply for full or 'active' ICDD membership status.

Please visit the "Members Only" website at: <http://www.icdd.com/membersonly>. This site, which is password protected, is populated with information regarding membership and member activities. Access is granted exclusively to ICDD members and student affiliates.

Members and Student Affiliates play an essential role in tailoring ICDD's products and services to the needs of the global community. We look forward to your contributions as a student involved in materials characterization.

Congratulations!

Theresa Maguire  
ICDD Corporate Secretary
