«Prix de la Chaire Saint Gobain « sciences des matériaux et surfaces actives »

Dear Madame Razeghi,

We would like to thank you for the opportunity you gave to our student, Mr Xun Suo to carry out his research training period in your Department.

We are pleased to inform you that a panel of research internships at École polytechnique has decided to distinguish the work he has accomplished under your supervision and to award him the "Prix de la Chaire Saint Gobain « sciences des matériaux et surfaces actives".

The student will receive his prize during a ceremony to be held at École polytechnique on **Thursday 22nd October 2015 at 10:30 am.**

Thanking you again for your assistance and support throughout our student's research program and looking forward to further collaboration between our institutions, we remain

Sincerely yours,

Frank Pacard  
Vice President for Academic Affairs and Research
